

FOUR STORIES of

LOVE

AT THE END OF THE WORLD
(as caused by Starfish from Space)

"I love love
I love being in love
I don't care what it does to me"

The Format, "Inches and Falling"

"The night comes on that knows not morn,
When I shall cease to be all alone,
To live forgotten, and love forlorn."

Alfred Tennyson, "Mariana in the South"

“YOU”

ON THAT LAST, AWFUL DAY—

WHEN THOSE STARFISH CAME

AND THE WORLD BURNED—

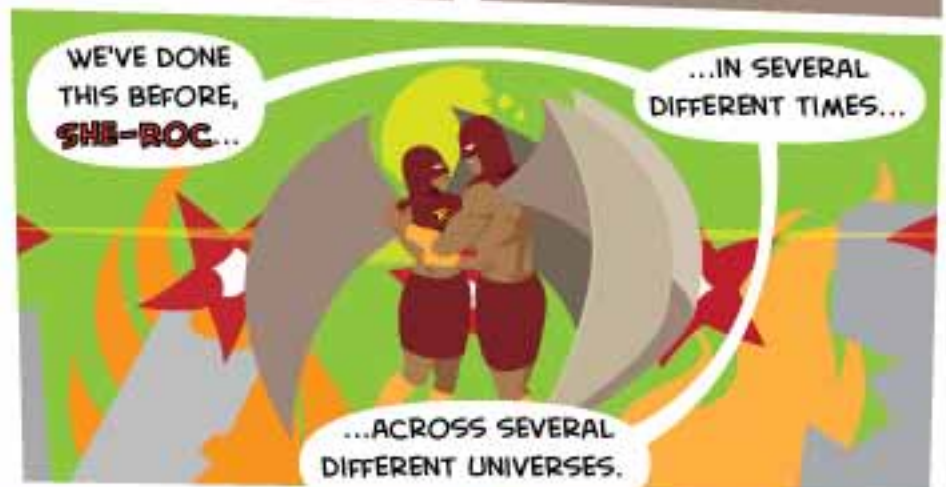

I WAS GLAD I COULD SHARE IT

WITH YOU.

"THE ROCS IN: ONCE AGAIN"

"A COSMIC LET-DOWN"

Somewhere, away from
the carnage on Earth,

far across the universe,

awaits an ancient race of
octopi with tiny man bodies.

Lightyears ago, the beautiful
starfish suggested a grand,
cosmic union

and the octopi with tiny
man bodies traveled great
stretches of time and space
away from Earth

to the
Starfishes'
home planet

only to be
stood up.

...dammit.

"...DO US PART"

THE END.
